I'd like to post this week. It's only 2 pages long – pretty high level.

When are you posting? I've got to renew my CBI clearance as soon as this meeting is over; covering CASAC PM tomorrow and off on Friday.

Same to you on happy holidays!

P.S. do you have any comments on the Mn PBPK notes before we post on our website? (under external stakeholder meetings)

Best wishes for happy holiday & a peaceful / productive new year!

Schunemann, Holger [holger.schunemann@mcmaster.ca](mailto:holger.schunemann@mcmaster.ca) (but, he's notorious for not being super responsive by email. He travels A LOT)

Do you want to schedule a meeting for January? I'm on heavy travel now and will take leave starting Dec 20th

Hi Kris

Enjoying the NAS meeting. I remember that Holger wanted to speak with me WAY back when you had me present over at the NTP. I am really appreciating his comments in particular. Can you give me his contact information?

Also, I'd like to discuss briefly the development of an AOP case study I am working on for CSS regarding mechanistic data – I'd like to get your thoughts on a way to marry this particular AOP and a systematic review for IVIVE.
